Amdt. Dated April 24, 2006

REMARKS

Claims 10-13 remain in the application. Claims 1-9 have been cancelled. Claims 10-13 have been indicated as allowed.

The Examiner has indicated in the Advisory action that the amendments have been entered and claims 10-13 are allowed. Claims 1-9 have been cancelled in order to facilitate the allowance of the instant application. Applicants reserve the right to file a divisional application for claims 1-9.

In view of the foregoing, an early issuance of a Notice of Allowance to claims 10-13 is solicited.

In the event the Examiner should still find any of the claims to be unpatentable, counsel would appreciate a telephone call so that, if possible, patentable language can be worked out.

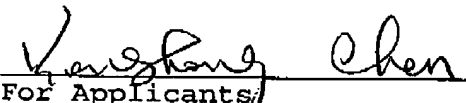

If an extension of time for this paper is required, petition for extension is herewith made. Please charge any fees which might be due with respect to 37 CFR Sections 1.16 and 1.17 to
